SOLUTIONS FOR DC, BY DC

The Community Safety Fair is an annual opportunity for DC residents to unite and learn from community leaders who rarely get a public platform to help co-create a sustainable #SafeAndFreeDC. Participants of DC Justice Lab's Policy Training

Academy spend a week in expert-led workshops gaining the knowledge and skills to navigate complex policy landscapes. Their ideas are showcased in a "tabling format" with guests witnessing their passion for how best to confront unresolved issues that prevent progress.
